

OUR OFFER

Tailored face-to-face and online sessions for Year 5–13 classrooms, assemblies, and youth settings.

Plus family workshops and training for teachers and professionals.

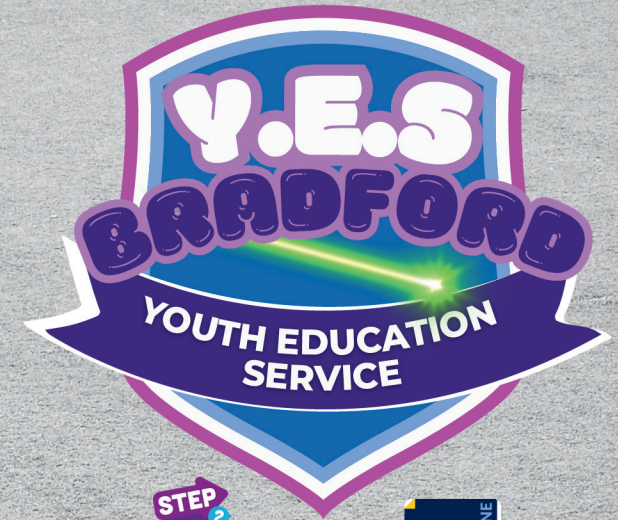

ABOUT US

Our work supports pupils' wellbeing by building understanding, resilience and safer decision-making around vaping, drugs, alcohol and gambling. We help families and professionals support young people and access the right help when needed.

Our local, partnership-led offer combines prevention, early intervention and support.

VAPES

WE ARE

Step 2 is a Bradford-based charity (No1161921) specialising in early interventions to support children and young people to lead healthy lives, by offering services to them, their families, and professionals who work with them.

DRUGS & ALCOHOL

WE ARE

The Bridge Project is a Bradford-based charity (No. 517356) providing rapid wraparound drug & alcohol support interventions to youth (up to 24 years) in Bradford at home, in schools or within a community setting.

GAMBLING

WE ARE

Chapter One is a national gambling harm prevention organisation (No. 1184114) providing information and support for everyone affected by gambling, including training for professionals.
