

Nourishing Communities Vouchers Scheme

#FoodforHealthnotWealth

This **scheme** is designed to assist **families** experiencing **food poverty** by providing **vouchers** that can be redeemed for fresh, nutritious **food** at **Darley** Street Market and other participating **outlets**.

More than a **short-term** response, the scheme adopts a **cash-first approach**

Improve
access to
affordable,
fresh, and
nutritious
food.

Promote
healthy
eating habits
and food
literacy.

Increase
local
economic
activity.

Connecting
communities
with wider
wellbeing
services.
